

# BIOMIGA

[www.biomiga.com](http://www.biomiga.com)

## DNA/RNA SIZE SELECTION BEADS

- Superior quality: typically 10-20% better yield than benchmark
- Competitive pricing: 20-50% lower cost than benchmark
- Exceptional consistency: extensive manufacture process control to eliminate lot-to-lot variation
- Seamless workflow integration: no change in protocol, simple bottle swap
- Flexible customization: OEM capability to fit customer's specifications
- Supply chain stability: 100% manufactured in the USA

### 0.7-0.8x Size Selection

BIOMIGA INC • 10637 Roselle Street, Suite C San Diego CA 92121
